Sin City Chamber *Holiday Mixer* Highlights December

Hosted by Merchant Credit Card Services.

The atmosphere was very warm, fun and friendly at the recent Sin City Holiday Mixer held on December 14, 2004. This mixer was especially eventful and meaningful being *the first Holiday Mixer for this new chamber*, staff and members.

The beautiful home of hosts Paul and Angie Crupi was decked with holiday spirit. The guests greeted each other, networked and made the type of relationships a business really needs to succeed. As the night progressed, the hosts Angie and Paul Crupi's Christmas Tree was decorated with the donated toys from the guests.

The donated toys will be delivered to the Sunrise Children's Hospital and the Snappi/Make a Wish Foundation drive. President Loretta Hold commented, "It's always a good thing to see people get together, have a little fun and do something good for someone else. We hope everyone's holidays are peaceful and as a Chamber we hope to do more in the future to help our community."

The Sin City Chamber of Commerce hopes your holiday season is full of joy and your New Year prosperous and healthy. If you would like to make a donation to the Sunrise Children's Hospital or Toy's for tots contact the chamber directly at 702-450-7222 or email info@sincitychamberofcommerce.com

Letter from the Executive Staff.

As 2004 draws to a close we would like to thank each of our members for their assistance in launching *your* new Sin City Chamber of Commerce. It has been an exciting five months.

The four mixers we had were fun and entertaining. A special thanks once again goes to Earl Shelton, **QVEGAS Foundation**, Renee Rand, **Party Gals**, Michael & Shirley Stitzinger, **Hawaiian Pools and Waterscapes**, and Angie and Paul Crupi, **Merchant Credit Card Services**, for their hospitality in hosting these mixers.

The 85 members who joined us these past five months have given us great support, encouragement and suggestions. We will continue to look to you for guidance in making the Sin City Chamber of Commerce a truly viable option to the business community, not only in Las Vegas and the state of Nevada but across the nation as well.

We are excited and enthusiastic about the coming year. As we move into 2005, we have lots of plans for the Sin City Chamber of Commerce. We are working on the hard cover copy of our Membership Directory. We are also planning on publishing a special Sin City Guide. A major medical plan for our members is in the works along with other advantage programs that we are investigating. In addition, we are planning lots of exciting mixers and meetings guaranteed to be fun and *different*. Details will follow as we firm up these plans.

The New Year 2005 is filled with the promise of fun and prosperity. We look forward to sharing it with you.

Here's to a wonderful holiday season to you and yours. And again, thank you for your continuing support and for sharing "the vision" with us.

Sincerely,

Loretta Holt

Lenny is a graduate of New Jersey's Lincoln Technical Institute and has worked in the automotive repair business all his life. After moving to Las Vegas in 2000, he and business partner, Sam Barba, bought Charlie's Import Auto Service, a full service repair shop for both foreign and domestic automobiles.

Business has doubled since the first year of business at Charlie's because both Len and Sam believe in giving quality service and products. With professional and friendly service, they will not sell a customer a product or service they do not need. They want all of their customers to be satisfied.

Charlie's Import Auto Service does very little advertising because most of their customers are from word of mouth. Len Holt and Charlie's Import Auto Service is a Charter Member of the Sin City Chamber of Commerce and can be reached at 702-880-9300. *Sin City Chamber Members receive special discounts call to learn more.*

Sin City Chamber Calendar

December December is the twelfth and last month of the year in the Gregorian Calendar, with 31 days. From the Latin decem for "ten" (it was originally the tenth month of the year, before January and February were inserted). The winter solstice falls in December.

Christmas is celebrated as a federal holiday in the United States and is a religious day for many Christians. The holiday, which occurs on December 25, celebrates the birth of Jesus. A Solstice always takes place near the end of the month, usually on December 21 or December 22. The United Nations has designated December 10 as Human Rights Day.

January January is the first month of the year in the Gregorian Calendar, and has 31 days. It is named for Janus, the Roman god of doors and gateways.

The original Roman calendar consisted of 10 months (304 days). The Romans originally considered winter a monthless period. Circa 700 BCE Romulus' successor, King Numa Pompilius, added the months of January and February allowing the calendar to equal a standard lunar year (354 days). A Roman superstition against even numbers resulted in the addition of one day thus equalling 355 days.

The first day of the month is known as New Year's Day. Historical names for January include its original Roman designation, Januarius, the Saxon term Wulf-monath (meaning wolf month) and Charlemagne's designation Wintarmanoth (winter / cold month). From Wikipedia, the free encyclopedia.
